## K-LITE Illuminating Landscapes with High-Quality Architectural Luminaires

Established in 1977, K-LITE is a pioneer in the design and manufacture of high-quality architectural luminaires and lighting poles. With decades of expertise, the brand has earned a reputation for delivering reliable, aesthetically refined lighting solutions that cater to a wide range of design preferences and functional needs.

### Sustainable Manufacturing, Timeless Design

Operating through state-of-the-art manufacturing units, K-LITE focuses on sustainable, energy-efficient LED technology. Every luminaire is engineered to meet stringent international quality standards while exuding architectural elegance.

### Built to Withstand the Elements

K-LITE's landscape and outdoor lighting solutions are designed for rugged environmental conditions capable of withstanding wind, water, direct sunlight, rain, and dust. All products feature high IP and IK ratings, ensuring protection from ingress and impact, making them ideal for demanding outdoor applications.

### Comprehensive Product Range

K-LITE offers one of the most versatile lighting portfolios in the industry, with products that include Linear Wall Washers, Up-Down Lighters, LED Strips / Neon Flex, Promenade Lighting Bollards & Pathway Lights, Underwater Luminaires, Post-Top Luminaires, Bulk Heads & Pathfinders, IP67 Linear Profiles, Polar Lighting Poles, and Facade Lighting.

### Lighting with Purpose & Beauty

Every K-LITE product is a blend of functionality and design excellence. Whether it's illuminating walkways, enhancing architectural façades, or setting the mood in public spaces, K-LITE luminaires consistently deliver:

- Superior illumination
- Long-lasting durability
- Aesthetic enhancement

Trusted by architects, landscape designers, and urban developers, K-LITE continues to transform spaces with lighting that seamlessly integrates form and function.
